Good Afternoon Black Bears Families,

Our schedule has been modified for the start of the new semester. Scholars are expected to keep their cameras on during classroom time. At 12 noon scholars will be released for lunch. They have an hour for lunch and are expected to be back in class at 1pm-2pm. The expectation is that scholars will be in class Monday, Tuesday, Thursday and Friday from 9:10 until the lunch period and after that from 1-2pm. Wednesday there will still be an expectation of scholars being in for morning meeting.
